## Description

Location and Luxury! Yes you can have it all with this stunning home located in the sought after Harbour Chines area. Over 5800sq ft of living space with attention to detail and custom mill work throughout. All soffits are cedar and all exterior stairs are finished with concrete. An incredible gourmet kitchen which includes an 8 burner gas Fisher & Paykel stove and a custom over sized quartz island. The wok kitchen and massive walk in pantry will not disappoint. Large covered deck with speakers and bbq gas hook up. Upper level boasts 4 bedrooms and 3 bathrooms. The master suite and ensuite is a dream come true! Lower level has a 2 bedroom self-contained legal suite. In addition a wine bar and huge rec room for the homeowners use. Too many features to list!
